

1.1.3 DEBARMENT CERTIFICATION

AMLOZA (Amlodipine Besylate Tablets, USP) 5 mg / 10 mg — ANDA

Pursuant to Section 306 of the Federal Food, Drug, and Cosmetic Act (21 U.S.C. § 335a), the applicant certifies the following:

The applicant did not and will not use, in any capacity, the services of any person debarred under Section 306(a) or 306(b) of the Act in connection with this application. This certification covers all individuals and entities providing services related to the development, manufacture, testing, and submission of this Abbreviated New Drug Application (ANDA).

Applicant: Blessaria Pharmaceuticals Inc. [Hypothetical academic sponsor]

Certifying Official: [Name and title of authorized official — would be completed and signed in a real submission]

Date: [Not completed — academic portfolio exercise]

Portfolio Note: In a genuine ANDA, this certification is a signed statement, and the applicant would have performed an actual debarment check against FDA's published debarment list prior to signing. No such check has been performed and no signature is presented here, as this is an academic portfolio exercise for a fictional sponsor.

ACADEMIC PORTFOLIO EXERCISE — NOT FOR REGULATORY SUBMISSION
