

1.1.4 FINANCIAL DISCLOSURE — PLACEHOLDER

AMLOZA (Amlodipine Besylate Tablets, USP) 5 mg / 10 mg — ANDA

This section is reserved for the financial disclosure certification required under 21 CFR Part 54, documenting the financial arrangements and interests of clinical investigators involved in the bioequivalence study summarized in Module 5.

Applicable form(s)	Form FDA 3454 (Certification: Financial Interests and Arrangements of Clinical Investigators) and/or Form FDA 3455 (Disclosure: Financial Interests and Arrangements of Clinical Investigators), as applicable per investigator
Purpose	Discloses or certifies the absence of financial interests/arrangements between the sponsor and clinical investigators that could raise a question of bias in the reported study results, per 21 CFR 54.4
Status in this dossier	[Not completed — academic portfolio exercise. No investigator names, institution names, or financial arrangement details are fabricated, as the bioequivalence study described in Module 5 is illustrative/hypothetical and no real investigators exist.]
Cross-reference	See Module 1.3.3 (Financial Certification / Disclosure) for the corresponding narrative placeholder statement, and Module 5.3.1 for the illustrative bioequivalence study synopsis

Portfolio Note: This placeholder demonstrates awareness that financial disclosure is a mandatory component of any ANDA supported by clinical investigator-conducted studies, without inventing investigator identities or financial data that do not exist.

ACADEMIC PORTFOLIO EXERCISE — NOT FOR REGULATORY SUBMISSION
